REPUBLIC OF AUSTRIA

AIC A 16/23

7 JUL

This AIC replaces AIC A 18/22.

FALSE LOCALIZER CAPTURE

Occurrences of false localizer captures during autopilot and flight director approaches have been reported at a number of airports in Europe in 2010. In some aircraft selection of auto-approach prior to confirmation of LOC centerline can result in false LOC capture.

Pilots are advised to monitor the correct localizer capture.

REF AIP Austria, LOWL AD 2, LOWW AD 2.
