These consolidated Airworthiness Rules are available on the Technical Publications page (<http://easa.europa.eu/technical-publications>) of the EASA website. The rules have been put together with their related Acceptable means of Compliance / Guidance Material in a reader-friendly format and can be downloaded for free.

You can buy the Part-M and the Part-145 printed handbooks via this webpage from the EU Bookshop. The printed handbook is in a user-friendly ringbook format and contains a CD with the bookmarked and cross-referenced pdf of the consolidated rule, as well as the EASA forms in word format.

Further rules are in planning. Please access the Technical Publications webpage or contact technical_publications@easa.europa.eu for more information.

Your safety is our mission.
